Благодаря фонду и ассоциации у Швейцарии самая развитая в мире практика предоставления протоколам правового дома. Надзорные и налоговые органы Цуга изучили сотни фондов протоколов и знают, с чем имеют дело. У Сингапура есть CLG — работоспособная, но плохо подходящая форма, а с введением режима DTSP — регуляторная среда, в которой правовой оболочке протокола, оказывающей какие-либо услуги всему миру, не рады. В 2026 году большинство клиентов автора выбирают такую комбинацию: швейцарский фонд или ассоциация для управления и казны, сингапурская или иная операционная компания для разработки и тщательное разделение между ними, чтобы швейцарская структура никогда не оказывала услуг, а сингапурская никогда не держала казну. Структурирование подробно описано в части P, глава II, и в главе III.
